About the Premier's Anzac Memorial Scholarship

Managed and delivered by the [NSW Government Office for Veterans Affairs](#), the Premier's Anzac Memorial Scholarship gives high school history students and teachers the opportunity to travel on a study tour to develop their knowledge and understanding of the history of Australians at war. The study tour visits significant battlefields, war memorials, war cemeteries, museums, and historic sites associated with Australia's military history, including places where Australian defence personnel have served. The tour is designed to enhance classroom learning and give scholars the opportunity to reflect deeply on their history studies.

In 2027, up to 18 scholarships will be available to eligible high school students. Up to three positions are available for high school history teachers to accompany the tour. The scholarship is a fully funded position on a prestigious study tour accompanied by a military historian and while on tour, all meals, activities, travel, accommodation, and uniform are included.

The 2027 tour will visit locations in **Germany, Belgium and France** during the Term 3 school holidays. The final itinerary will be confirmed closer to the date of the tour. The program also includes a full day Pre-Tour Meeting at the Anzac Memorial, Hyde Park Sydney during the Term 2 holidays.

The Premier's Anzac Memorial Scholarship program was established by the NSW Government in 2008. The OVA delivers the tour in partnership with a specialist education tour operator and in consultation with the NSW Department of Education and the History Teachers' Association of NSW.

Please read the Premier's Anzac Memorial Scholarship [Accompanying Teacher Application Guidelines](#) before completing this application. The guidelines contain information about the role, eligibility criteria, information on how to apply and how your application will be assessed.

Cover Letter

The Premier's Anzac Memorial Scholarship (PAMS) tour provides a rare professional development opportunity for NSW History teachers. The teachers accompanying the tour will be responsible for supervising the students and supporting their learning on tour. PAMS Accompanying Teachers represent the NSW Premier, the NSW Government and NSW teachers. There is an important pastoral care element to this role, that is, to support and encourage students as they learn in a very different environment, with a focus on student health and wellbeing.

Please attach a cover letter no more than two A4 pages in length explaining how you meet the three selection criteria listed below. The letter should be addressed to **Ms Fabienne Virago, Manager NSW Office for Veterans Affairs**.

We expect you to clearly detail how your skills, experience and capabilities are relevant to the role of Accompanying Teacher, and what particular expertise you will bring to this position. Your letter must also address the following targeted questions:

- Describe a unit of study that you have developed and implemented in the classroom relating to the Australian war experience for Stage 5 History or Stage 6 Modern History.

- Describe your experience in supporting a successful extended excursion for high school students including as much detail as possible about the excursion and your role in it. For example, itinerary planning and relevance to NSW History syllabus, liaising with providers, risk assessment, supervision, learning support for and pastoral care of students etc.
- Explain how you would use this professional development opportunity to enrich the teaching of Australia's involvement in the World Wars and other conflicts within and beyond your own school.
